

REQUEST FOR QUOTATIONS

Pacific Gateway Workforce Investment Network General Marketing Bi-Fold Brochures

The City of Long Beach (City), in cooperation with the Pacific Gateway Workforce Investment Network, is soliciting responses from qualified entities to provide printing services for the Pacific Gateway Workforce Investment Network general marketing bi-fold brochures.

Background

The Pacific Gateway Workforce Investment Network offers an array of workforce development programs and services for job seekers and businesses. These services include but are not limited to career preparation, career exploration, job search strategies, work experience and job training, resume writing, and interview techniques. Services are coordinated through the City's Career Transition Center, Youth Opportunity Center, the Center for Working Families, and the Harbor WorkSource Center.
